Dear Essie,

I am writing to inform you as of this Friday, June 16, I am leaving my position at the Bridge Family Center. As my position as coordinator for the SAPC is part of the contract between the Bridge Family Center and the Town of West Hartford, I am also resigning from my position as coordinator for the SAPC. Pat Tyler, our director, has identified another team member from the Bridge, Jonathan Merritt, Youth Mentor, to assume this role on the SAPC.

I shared this update last TH at the SAPC meeting. As this is a position is filled by a Bridge employee, we weren't sure if it would go through the regular process for appointments. To cover our bases, the SAPC did vote to recommend Jon Merritt to Town Council to be appointed to SAPC.

QUESTION:

What other steps do we need to take to officially appoint him in my place to the SAPC?

Thank you,  
Joanna
